Defendant moved for an expedited hearing (Ct. Rec. 74) to consider his motion to alter or modify release conditions (Ct. Rec. 73). Finding good cause, the Court **GRANTS** Defendant's motion for an expedited hearing (**Ct. Rec. 74**).

The government orally represented that it opposes the defendant's motion to alter or modify release conditions, but indicated that it will not file a written response to defendant's motion to modify (Ct. Rec. 73). After reviewing the record, the Court finds that the Defendant has not proffered sufficient information to warrant modifying the prior order. Accordingly, the Defendant's motion to alter or modify release conditions (**Ct. Rec. 73**) is **DENIED**.

The Defendant has requested assistance with respect to his medical needs. Accordingly, the United States Marshal is directed to investigate the Defendant's medical needs.
